Victor Haze

EDIT

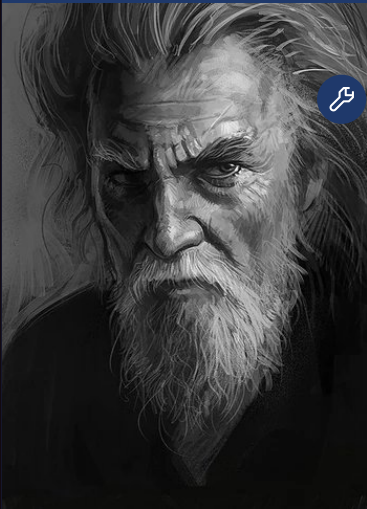

Victor Haze is the cult leader of the False Goddess [Azarial](#). He is a man with a dark past. His currently used name is **Matthias**, but in the past, he used to be the best assassin of [Cidaris](#), and a lieutenant of a legendary pirate.

After the pirate armada was dismantled, Victor and Akula conspired to assassinate Tristan de Leon during the nobleman's wedding, but the attempt failed, and resulted in the death of Tristan's wife, Cyrenia. Akula blamed Victor for this failure, so Victor decided to go into hiding and change identity. He hopes to use Azarial's power for his own goals.
